CUSTOMIZED LIMITED WARRANTIES

CUSTOMIZED TO FIT YOUR NEEDS

Our Limited Warranties are issued to the customers by the Dealers. It protects the customer against major repair bills and components covered by the Limited Warranty if they fail in normal use. We administer the terms and conditions of this Customized Limited Warranty for the Dealer.

- Limited Warranties are offered to the customer by the dealer. If the customer sells the vehicle, any remaining Limited Warranty coverage will be canceled, without refund.
- This Limited Warranty is not transferable.
- \$0 DEDUCTIBLE
- There is no deductible under this Limited Warranty for covered component repairs performed during each repair visit. Repairs not covered by the Warranty are your responsibility.

WHAT IS COVERED

HWG warranties the following parts and components of your vehicle against defects in materials or workmanship, in normal use, for a custom amount of months from the date you purchased the vehicle or when the vehicle has been operated for a custom amount of miles from the mileage shown on the front of this document (whichever occurs first). Repairs will be made using remanufactured parts. If remanufactured parts are not available, the Dealer will use new parts.

Mechanical coverage including the following: major assembly components and steering, air conditioning, engine cooling/fuel system, front suspension, all electrical systems, all engine computers, shocks, torsion bars, engine mounts, brakes, anti lock brakes, instrumentation, rear suspension and all seat, hood, trunk, lid, liftgate door and window mechanisms.

IMPORTANT

The maximum benefit amount should a covered part of the vehicle fail will be the total cost of the repairs per visit less the deductible if one has been provided, or the cash value of the vehicle, whichever is less! The cash value of the vehicle will be determined at the time of the covered repair and will be the average retail value as listed in the current NADA Used Car Pricing Guide. If at any time the repair costs for covered component(s) exceed the vehicle's cash value, your final Limited Warranty benefit will be our payment of the vehicle's cash value rather than the repair costs. Coverage will terminate automatically and immediately pursuant to this provision and we will have no further obligations of any kind in respect to this terminated Limited Warranty.
